Mines & Meadows ATV/RV Resort offers ATV and dirt bike enthusiasts in Western Pennsylvania and Eastern Ohio a truly unique experience with more than 70 miles of trails on 600 acres that cover the full spectrum of riding skills from beginner through advanced. While their trails provide tremendous challenges, they are groomed for safety. What really sets Mines & Meadows apart though is underground riding through abandoned limestone mines. These mines provide matchless thrills with underground lakes, total darkness and numerous surprises that help make each journey unforgettable.

For those who will be staying at the Four Points Sheraton for the conference, Mines & Meadows is only a 30 minute drive away. Those who are not staying at the hotel can meet the group for breakfast or just meet us at the Main Office at Mines & Meadows. The plan is to ride in the morning on the trails and then for those who are interested take a guided tour through the mines at 2:00.

If you are interested in riding, please read all the attached Rules and Regulations and fill out the Release of Liability form. All Documents can also be found on Mines and Meadows ATV Park's website.
