President's Column

by: Ron Ford, PAFED President

Summer has arrived! . It's typically a busy time for most of us, but it's the time off with vacations and enjoying the weather is what makes summer great.

We held our April board via teams. The meeting covered our expenses, income and mostly the upcoming conference. We will be having again in Valley Forge at the Valley Forge Casino Hotel. The cost of food, beverages, meeting rooms only rose a little this year. The cost for the guest hotel rooms got a lower price this year. Good job to our Association Manager Jason on keeping the prices in line. We will have the same pricing for the conference as last year.

Our next board meeting will be in July and will be an in-person meeting. Right now, the meeting location is not set but I'm working on some places. The July meeting is where we would like to recognize and reward the board members with dinner. Started about 4 years ago by our past president, Adam Andrews. I feel it's a good thing to thank our board members for their commitment to PAFED, so I continued the practice.

So, talking about the conference, our main speaker will be Jamie Knowles from Amerex.

He is the Industry Relations manager for Amerex and has been in the Fire Protection Industry since 1993. He is a wealth of knowledge and PAFED is excited to have Jamie at the conference. This will be Jamies first visit to a PAFED conference, and I know he is looking forward to presenting and being around to talk with during the vendor exhibit. He has a lot of knowledge of many different hazards in our industry. So, with Jamie Knowles being the main speaker, we will introduce the rest of our presenters shortly.

President's Message, from front cover

The golf fundraiser outing will be on Tuesday September 16th at Pickering Valley.

The golf outing helps us raise money for the Burn Foundations Camp Susquehanna. The camp this year is from June 15 through the 19th.

We thank all the people that came out last year.

We had over 40 registered golfers last year and hope it's a little more this year. Everyone has a good time during the outing, plus there's bragging rights for the conference the next day.

Last, I would like to Congratulate Tyler Fannie from ABC Fire Extinguisher Inc for becoming the Regional 1 Director for NAFED. He is taking over from Seth Foust of Susquehanna Fire Protection Company. Two great companies that are strong members of PAFED. I know Tyler is working on a project that deals with PA, and I look forward to talking to him about it.

Before taking a vacation this year, take a few moments to register for the conference. Forms are in this issue and also available on our website.

Enjoy your Summer, and any questions or concerns please feel to contact me.

Camp Susquehanna:

Where Young Burn Survivors Build Community and Confidence

A serious burn injury is one of the most painful traumas a human being—especially a child—can endure. Most severely burned children are put into a medically induced coma for the first several months of their recovery because they might not otherwise survive the pain of their initial healing process. Recovery often takes years or even a lifetime of difficult treatments.

Emotional suffering and social isolation compound these physical healing challenges. Maimed and facially disfigured survivors tend to be stigmatized whatever their age, and children especially face ostracism and bullying.

For kids in this situation, nothing is more healing than just “being a kid” with other children and adults who truly understand and are able to help. That’s why Camp Susquehanna exists.

What is Camp Susquehanna?

Camp Susquehanna is a sleepaway summer camp experience for children ages 7-17 who have had a burn injury. It creates potentially life-changing opportunities for children to have fun, connect with peers who are also burn survivors, and learn invaluable life skills in a safe, supportive environment.

Camp Susquehanna is the charity of choice for PAFED. It is a program of the Burn Prevention Network, a Pennsylvania statewide 501(c)(3) non-profit with the mission of reducing the risk of burns and empowering burn survivors and their families. Thanks to the support of many generous donors including PAFED, Camp Susquehanna is completely free to campers and their families. Participants can also take advantage of free roundtrip bus transportation from several different burn centers and other locations across Pennsylvania, including Pittsburgh, Philadelphia, Lewistown, and Lehigh Valley.

Camp Susquehanna participants vary widely in age and abilities, so activities are tailored towards each camper’s unique developmental needs. Kids can choose to participate in an impressive range of activities, including a climbing

wall, ropes course, towed tubing, swimming, fishing, campfires, music, skits, arts and crafts, and much more.

We are celebrating Camp Susquehanna’s 30th year. It is currently being held at beautiful Camp Westmont in Poyntelle, PA. Bracketed by scenic woodlands and a lake, indoor amenities include excellent dining facilities and air-conditioned cabins. Yes, the fun here is first-class.

Supporting Camp Susquehanna

There are many ways for individuals, businesses, and groups to support Camp Susquehanna. One is supporting PAFED’s fundraising events. The camp is completely free for all who attend, and there is room at the current facility for many more campers if funding permits.

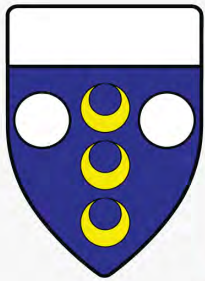

Other possibilities include:

- Acting as a chaperone on a bus bringing kids to or from camp.
- Helping to inventory, pack, label, and move camp supplies.
- Provide a lunch stop along one of the bus routes to or from camp. The kids love to stop at a fire hall and meet firefighters!
- Making possible online/virtual activities, such as regular Zoom calls with the children and their families.
- Helping to spread the word about Camp Susquehanna within your own community.

Camp applications are currently open! This year’s dates are June 14-18th. For more information about Camp Susquehanna, including this year’s volunteer application and donation links, please visit <https://www.burnprevention.org/camp-Susquehanna/>.
